Re: 16 November Reception for Eugene J. Small's (Col. USA Ret) Arlington Funeral

Dear Andy, Holly, and Joann,

Kudos to you and your elegant catering business for the lovely Reception you put on at the Women's Memorial for my dear departed husband. I believe he loved it because it was the best it could be.

The food was – as ordered – and delicious, as was the set up. Your work is impressive and anybody who deals with you will not be disappointed in what you deliver. I will be happy for you to use my name as a reference for those who are looking for a caterer for their event.

Please accept my most heartfelt thanks and that of our entire families for giving my husband and their Dad a Reception almost beyond our expectations.

With sincerest appreciation I am,

Linda F. Small
