

December 16, 2009

Mr. Schneider,

Thank you very much for the excellent food and arrangements you provided for our division wide holiday party. You exceeded our expectations in more ways than one and made things very easy for us. We had many very positive comments on the food, and appreciated your feedback on ensuring we selected items that would best suit our event and audience. We will definitely be recommending your services to others. Thank you,  
Lisa Barstky
